This revolutionary guidebook reveals the most effective habits, techniques and meditations for manifesting amazing relationships, optimum health, true financial freedom, your ideal career, and a spiritual awakening that will transform your entire life!

"I did exactly what chapter 9 of the Manifesting Manual said and got tremendous results that really amazed me! I gained \$500,000 from a TV show, bought my dream car and am engaged to the person that I feel is my soul mate! We are in love and he is just like I imagined him. Believe it or not, everything that I write here is TRUE. Thank you for helping me!" ~ Bayan Rahal
